

Application return to : [murrrmaidpoodles@aol.com](mailto:murrrmaidpoodles@aol.com)

Thank you for your interest in our AKC Toy Poodles.

Our puppy application process starts by filling out the following questionnaire.

Your complete application will be reviewed, printed and filed.

I will call you for a telephone meet and greet. At the time of decision a downpayment will be accepted to hold your puppy only when one is available.

My phone number is (717) 725-6390 please make a list of questions or concerns you may have after reviewing the Welcome letter.

Feel free to call or e-mail me at anytime after submitting your application.

All of our Toys are health tested and results are available on Orthopedic Foundation for Animals website. We test via Wisdom Panel "Optimal selection", OFA & CERF.

We match puppies with potential owners depending on your family needs.

We raise our puppies using "Puppy" Culture". Puppies will go home current and up to date on all vaccinations and worming administered by a Veterinarian along with a health certificate, puppy care package and 24 hour breeder assistance.

We stand behind our dogs for life. Please fill out and return the application below and I will be in touch. We are hobby/ owner/ breeder/ handlers and are not commercial dog breeders we do not breed often so your wait might be lengthy but well worth it.
